## About Plug N Ride

Plug N Ride Motors Pvt. Ltd. is a group of highly specialized individuals with a common objective to provide professional services under various verticals and domains in the automotive industry and technological advancement for longer sustainability. The company was established in 2018 with the aim of helping individuals and organizations achieve their business goals and dreams while sustaining our ecology's greenery.

The team at Plug N Ride Motors Pvt. Ltd. is focused on making their clients successful through innovative business solutions. They offer a range of services, including consulting, design and development of electric vehicles, plant setup, homologation of vehicles, sourcing of components, development of electric vehicle components, patenting of products, website development, and company formation.

Plug N Ride Motors Pvt. Ltd. specializes in the manufacturing of electric vehicles, specifically E-Cycles and E-3 wheelers. The company entered the electric two/three-wheeler segment after 12 years of extensive research and learning on electric vehicles. Their aim is to provide customers with a complete package of quality, comfort, style, and eco-friendliness.

## Our Team

**Zafar Eqbal**  
*Founder & CEO*

Zafar Eqbal, Founder and CEO of Plug N Ride Motors Pvt Ltd, possesses over 18 years of expertise in the electric vehicle (EV) sector, establishing himself as a key figure in India's EV domain.
